

The subject as a whole places sixth out of 70 in our employment ranking, behind only medicine, nursing, dentistry, radiography and veterinary medicine.

Applications and enrolments to physiotherapy are following an upward trend and increased again in 2021.

Physiotherapy	<i>Research quality %</i>	<i>Student experience %</i>	<i>Research quality %</i>	<i>Entry standards (UCAS points)</i>	<i>Graduate prospects %</i>	<i>Overall score</i>
